

## MULTIPHASIC BLOOD SCREENING 2017 SCHEDULE

*SPONSORED OR CO-SPONSORED BY  
WELLSPAN GETTYSBURG HOSPITAL*

**Registration is required for all programs. No walk-ins will be accepted. Due to increased demand, we ask that you call at least 24 hours in advance if you must cancel. We also ask that you limit participation to no more than two screenings per year.**

**Available tests include:**

- Complete blood count (CBC) and chemistry profile with glucose, cholesterol (HDL and LDL), and triglycerides (Cost: \$35)
- Hemoglobin (HbA1c) for diabetics only (Cost: \$15)
- PSA screening – only available with a physician order (Cost: \$15)
- Thyroid screening (TSH) (Cost: \$10)

All tests require a 10-12 hour fast.

**PLEASE NOTE – Based on the recommendation of the U.S. Preventative Services Task Force, PSA screening will only be available at community screening events with an order from a health care provider.**
